

PD10 - Interpretations of PD 10 Discussion

Post by "Cassius" of January 16, 2021 at 3:42 PM

Maybe the question is the extent we are converting experience to concepts and back again. Is all manipulation of concepts something that comes under the category of "reason" or "logic?" Certainly we think there is accurate and inaccurate manipulation of concepts, but don't we call that accurate or inaccurate logic or reasoning?
