

Tactical Question for the Group Re Terminology In Discussing Reason and Logic

Post by “Elayne” of January 20, 2021 at 4:45 PM

"Nothing comes from nothing" is not a first principle, or if it was thought to be, that's an error. It's an observation, which may or may not be correct.

A better example of a first principle would be "there is a reality which can be perceived."
