

"Nothing Comes from Nothing" and Parmenides

Post by "Cassius" of January 21, 2021 at 7:55 PM

[Quote from Matt](#)

If I was a Neoplatonist I would say the aggregate One manifests the universe and chain of being perpetually through emanationism. In the eternal now.

And the probable best response if you were to say that would be: "*What weed are you smoking?*" 😊
