

Alt-tech outreach

Post by “Protonus” of February 11, 2021 at 11:08 PM

I was also going to suggest trademarking the name if it's a concern...

I suggest that good ettiquette is if you start a group somewhere you can feature a link back to this site so it has a good SEO score.

As for other sites, I use linkedin for networking, and think it'd be a good place to post Epicurean advice relative to our professions.
