

Planning And Execution of A Local Group

Post by “Protonus” of February 23, 2021 at 10:07 PM

I was just considering starting an Epicurean meetup group since I don't use Facebook or any other platform for meeting likeminded folks. I notice the last post here is from 2018, and wondering if anybody had better results since then. I've had mixed results with others meetups I've organized in the past.
