

## **American philosopher Charles Sanders Peirce (1839-1914)**

**Post by “Godfrey” of February 27, 2021 at 4:56 PM**

Has anyone here heard of the philosopher Charles Sanders Peirce? The attached article showed up in my inbox and explores how Peirce studied Epicurus and used the idea of the swerve in some of his thinking. It would seem that his acceptance of Epicurus' ideas was very limited, but it was a pleasant surprise to come across a new name relating to Epicurus!
