

Epicurean philosophy vs. Stoicism in public popularity

Post by "Don" of March 14, 2021 at 10:52 AM

[Quote from Cassius](#)

Yep I think it is a combination of SIMPLE plus (to many) "distasteful," and I think probaby the "distaste" outweighs the "simplicity" issue.

In the US at least, distrust and distaste of pleasure was baked in from the 1600s with the Puritans and Pilgrims.
