

Episode Sixty-Six - The End of All Things (But Not Of The Universe Itself!)

Post by "Cassius" of April 14, 2021 at 9:06 AM

Uh-oh I have lost track. Did we discuss the re-arrangement of atoms in this episode, or are you thinking about earlier episodes? Are you thinking of the "trinity" part of our discussion? i do think that the color palette example is helpful in explaining how atoms can combine into different results.
