

Thanks to Nate For The Recent Meme Additions

Post by “Eikadistes” of April 25, 2021 at 10:41 AM

Thanks, [Cassius](#)!

That meme in particular made me laugh because I needed an egregiously pro-Stoic headline for comedic juxtaposition and I thought it was fitting that Donald Robertson not only wrote this, but published it within the last few months.

It was only after capturing it that I realized **he** wrote it. I can always count on Donald for new material. 😄
