

# Getting Started - Initial Thoughts on 3D Printing

Post by “Don” of April 28, 2021 at 10:41 PM

## [Quote from Cassius](#)

So what are you thinking was in the mind of the sculptors as to the purpose of this herm in particular

## [Quote from JJElbert](#)

In other statues the twin figures are an old man and a youth; the key feature in all of these artistic expressions is the curious interplay of limitation and continuity.

Metrodorus, who would certainly have succeeded Epicurus had he survived him, represented continuity—the master/student relationship, the succession of the scholars, etc.

I like that interpretation.
