

Episode Seventy - More On The End of The World

Post by “Cassius” of May 15, 2021 at 1:14 PM

Episode 70 of the Lucretius Today Podcast is now available. In this Episode 70 we will read approximately Latin lines 324 to 415 of Book V, and we will talk more about the end of the world, destruction by fire and water, and take an excursion into what this passage may mean about the immortality of the [Epicurean gods](#). As always, please let us know if you have comments by posting below:
