

# **Episode Seventy-One - The Formation Of the World (Our Part of the Universe)**

**Post by “Cassius” of May 19, 2021 at 9:23 PM**

Episode 71 of the Lucretius Today Podcast is now available. In this episode, we will read approximately Latin line 416 -508 of Book V, and we will talk about the formation of the world (which in Epicurean terms is not the whole universe, but our local part of it, from the fundamental elements. As always, please let us know any comments or questions in the thread below:
