

"School of Athens" - The grouping to the right of center

Post by "Cassius" of May 24, 2021 at 4:52 PM

Nate (or anyone) is there any historical or other reason to portray Zeno as fat as this orange-clad figure is shown? I agree about the beard, but the bald head combined with the very large size would seem to me to need some correlation too, or else they point in a different direction.
