

Toward a New Interlinear Gloss of De Rerum Natura

Post by “Joshua” of May 31, 2021 at 5:51 PM

Good question...

I'm downloading LaTeX right now. It has a package (ExPex) built specifically for Linguists. I'm hoping it can solve a lot of the formatting issues that are invariably cropping up. It would be nice to have one long stream of lines for each book and have the code format it while keeping footnotes on the appropriate page.
