

Toward a New Interlinear Gloss of De Rerum Natura

Post by “Joshua” of June 2, 2021 at 9:17 PM

Quote

Wow! So not until the late 1800s? That's very interesting. Before that they were just the [Principal Doctrines](#) with no number attached then it looks like?

It would take a bit of legwork to find a source for the claim on that wiki. But Usener evidently had a profound dislike for Diogenes Laertius!
