

Welcome Knittymom!

Post by “Cassius” of June 21, 2018 at 11:15 AM

Knittymom thank you for letting us know more about your interest. Many many people come by here after reading up on Stoicism, and like you they often conclude that Epicurus suits them better. I hope you'll enjoy your time here and that you'll free to post any comments or questions you have. No question is too simple or obvious for us to handle! 😊
