

Taking The Temperature Of A Six Year Old Forum

Post by “Don” of June 24, 2021 at 9:45 PM

One last request, after living with your redesign for a little while: Could you switch the Epicurus portrait and Podcast logo sides? That way the figures would each be facing *into* the page rather than facing off the page. Nitpicky, I realize, but it metaphorically "invites" people into the page rather than directing outward.
