

# **Did Epicurus Advise Marriage or Not? Diogenes Laertius Text Difficulty**

**Post by "Cassius" of July 3, 2021 at 8:48 PM**

If you are saying that Hicks is the source of the "not marry" viewpoint, then I would bolster that with my observations that I find Hicks to take a VERY negative position on Epicurus. I remember reading his "Stoics and Epicureans" and being struck with how negative and pessimistic Hicks' worldview seemed to me to be - very stoic.

Thank you for all the research!

This is what I am remembering: <https://newepicurean.com/is-that-all-th...and-epicureans/>
