

Practical exercises: PD2

Post by “Don” of July 6, 2021 at 10:10 AM

[Quote from Godfrey](#)

As far as thinking about death goes, to me that would only apply to thinking about a good death... I can't imagine finding pleasure in visualizing being eaten by a tiger.

Ah, but even that death should be mitigated by the knowledge that pain is either chronic and endurable or short and fatal... At least theoretically according to PD4
