Episode 78 of the Lucretius Today Podcast is now available. In this Episode 78 our goal was to read approximately Latin lines 1105 - 1240 of Book Five, but due to the important ethical implications of the subject we covered only a small part of that. So today our discussion will break well short of the material that we read, and we will come back next week to tackle the rest. Now let's join Martin reading today's text:
