

Would There Be Benefit In Adapting the "Benjamin Franklin Journaling Model" To Our Discussion of Practical Exercises?

Post by "Cassius" of July 9, 2021 at 8:19 PM

That is very helpful! I switched the search to Epicurus and find very little. No doubt we are going to find a blend, with a tendency toward stoicism perhaps like Aurelius, but I don't yet have a feel for the mix because Franklin seems practical above all and that would seemingly out the brakes on "virtue" in and for itself.
