

Would There Be Benefit In Adapting the "Benjamin Franklin Journaling Model" To Our Discussion of Practical Exercises?

Post by "Cassius" of July 11, 2021 at 5:51 AM

Further on the implications of the word "virtue" is not the Latin form grounded in the implications of "strength"? Since we have to deal with modern associations, maybe "strength" has less victorian implication even then excellences, and more clearly conveys the issue that it is necessary to answer the question "strength toward what purpose?"
