

Michel Onfray: A Transcendental Epicureanism

Post by “Hiram” of July 12, 2018 at 11:30 AM

One way around DeWitt is to write tracts or commentaries making his exact same points, or paraphrasing them, and making them widely available / maybe even share them on youtube vids and other media. Sort of like I did with my reasonings on the Philodeman scrolls when I was unsure that they were in the public domain.
