

# Michel Onfray: A Transcendental Epicureanism

**Post by “Hiram” of July 17, 2018 at 3:06 PM**

It helps to write essays or 20th messages revolving around a short, concise quote or powerful saying carefully identified from each of the chapters like the ancients did. We should do this with Dewitt. So that these sayings gain power of their own via repetition and frequent reference and discussion. So maybe a good strategy is to identify and then comment on these quotes.
