Oh it's also worth mentioning this similar article discussed previously -

Thread

## [Silicon Valley, Big Tech, And Stoicism](#)

[epicureanfriends.com/wcf/attachment/287/](http://epicureanfriends.com/wcf/attachment/287/) A very concerning aspect of Silicon Valley - and a reason that Epicurean platforms should not depend on Big Tech.

(1) "An ancient Greek school of thought, Stoicism argued that the only real treasures in life were inner virtues, like self-mastery and courage. The Stoics offered tactics to endure pain and pleasure without complaint."

Tactics to ENDURE PLEASURE WITHOUT COMPLAINT???? This writer admits...
