

Foundations 001 - The First To Stand Up To Religion, Face To Face

Post by "Cassius" of July 27, 2021 at 8:53 AM

Social Media Postings - I am going to try to do this as a series - go through the quotes that are pulled out and included in the "Foundations" video and produce a series of basic graphics which link back here to the discussion of each one at EpicureanFriends.com. [This is the source](#) that I will work to expand to put these in final format and provide a citation.

I need to find a way to automate this but to get started they can be done manually.

<https://epicureanworldview.com/@cassius> (Fediverse / Mastodon / Pleroma / etc.) This is the new "fediverse" server that I've set up experimentally. Because it is the open source activitypub format, it can be accessed with many free phone apps such as [Fedilab](#) for Android and any "[mastodon](#)" app for IOS. The fediverse has far fewer participants than Twitter, but the big advantage is that the site is owned by EpicureanFriends and can't be deplatformed if
