

# **Not all research is scientific, or involves critical thinking.**

**Post by “Cassius” of July 29, 2021 at 8:49 AM**

Also: This video has zoomed to the topic of my mental list of "best videos" that discusses the limits of speculation in physics. I'm going to spread this video around and it would be great if over time we could compile a list of "[Best Videos Discussing Epicurus' Attitude Toward Speculation In Science](#)" or something like that.
