

Episode Eighty-Two - The Opening Of Book Six - Restatement of the Goal of the Poem

Post by “Don” of August 1, 2021 at 12:30 PM

I get frustrated that I'm not fluent in Latin and can't parse the original text on the fly, but then I look at the different (and sometimes contradictory) translations by scholars and experts and don't feel so bad. Listeners will hear what prompts this observation from this episode.
