

# Analysis of Video By Sabine Hossenfelder ("You Don't Have Free Will But Don't Worry")

Post by "Cassius" of August 6, 2021 at 7:47 AM

Not that it makes any difference at all but I always find words interesting. What does the "felder" indicate? Something indicating "field-worker" in the distant past, or something like that? So a long-ago reference to "field-worker from Hessen?"

[What does Felder mean in German?](#)

English words for Felder include field, panel, array, area, pitch, court, pane and open country. Find more German words at [wordhippo.com](http://wordhippo.com)!
