

Welcome JNAMIOTKA!

Post by "Hiram" of August 3, 2018 at 9:39 AM

I studied very little Latin, and became curious to re-take the study of Latin after listening to "O Fortuna" recently. I WAS able to publish a piece for a classics publication on the history of comedy as a tool to promote secular values thanks to being referred to the editor by someone who wrote a review of my book for The Humanist. Here's my piece.
