

Foundations 005 - By His Victory Religion Is Trampled Underfoot

Post by "Don" of August 11, 2021 at 9:01 PM

[Quote from Don](#)

[Quote from Cassius](#)

And so Religion, which we feared before, by him subdued, we tread upon in turn

That's an interesting turn there I hadn't noticed. That is saying Epicurus subdued religion, then we tread upon it in turn. Hmm. Not sure if that's supported in the Latin but interesting nonetheless.

Yeah, I see no 1st person plural "we tread". All the verbs in those phrases appear to be 3rd person singular he/she/it.
