

# Anticipations - Justice & Divine Nature

Post by "Don" of August 15, 2021 at 12:13 PM

[Quote from EricR](#)

So I am curious to know what innate ideas are thought to be "justice" and "divine nature".

Sorry, realized I cut that quote off.

The innate idea of the "divine nature" is that it is "blessed" ([μακαριος](#)) and "incorruptible" ([ἀφθαρτος](#)). That's it. To assign any other characteristics goes beyond the anticipation from my readings.
