

Implement A Roadmap Or 'User Ranking According To Texts Read" System?

Post by "Cassius" of August 24, 2021 at 8:56 PM

Great idea but I am not sure how to implement it. Let me see if the software has a plugin but I doubt it. Any idea on how to do it? We do have a "trophy" system but I don't think it provides for checkboxes or ways to customize it.
