

Implement A Roadmap Or 'User Ranking According To Texts Read' System?

Post by "Cassius" of August 25, 2021 at 3:50 PM

From the "motivational" point of view, the answer is probably going to be to have something that shows up in the user profile (at least when viewed on the desktop, and it may prove to be the case that the only way to do that is through the trophy system, and we'll just have to manually ask people to "claim their trophy" and message an admin so that it can be assigned to them manually.
