

Implement A Roadmap Or 'User Ranking According To Texts Read' System?

Post by "Cassius" of August 25, 2021 at 10:19 PM

The real heavy lifting / lot of work seems to be getting an series of "courses" off the ground. In the end it might be necessary to start small with Quizzes here on the forum rather than a full "moodle" package, but hopefully all these intermediate steps like the reading list will help build the momentum toward full "courses"
