

Who Was Bernard Mandeville and Was He Truly An Epicurean?

Post by "Cassius" of August 26, 2021 at 10:51 AM

This reminds me that "**priestcraft**" is a great word! 😊

Quote

Published in 1720, *Free Thoughts on Religion, the Church and National Happiness* was his final party political tract in which he endorses the advantages of Whig governance as well as advancing a skeptical view of the religious establishment and priestcraft.
