

Best Recent Version of Diogenes Laertius?

Post by "Cassius" of August 29, 2021 at 7:52 PM

Question from reader : I found many topics in the forums talking about the different versions of this book. I'm not good at reading electronic versions, so I want to buy it. Which version would you recommend? From a post of yours of some months ago, I gather it would be Bailey's?
Thanks
