

Best Recent Version of Diogenes Laertius?

Post by "Cassius" of August 29, 2021 at 8:10 PM

I think if I were buying one I might go with Loeb too, for the benefit of the side-by-side Greek text.

As for the Bailey edition, that would be Bailey's "Extant Remains" which would be good to have if you can find a used copy, and would have a lot more material on it about Epicurus.
