Thank you Cassius for the welcome! I'm glad I came across this site when I was looking for sources on Epicurus and Lucretius that I could not find on Amazon or from other booksellers.

I'm a retired lawyer and now have the time to focus on areas that have long interested me. In recent months I've been studying Ancient Greek Philosophy and already have learned much from going through just a few of the sources on this great site. I'm looking forward to learning more and participating.
