

Happy Birthday, Frances Wright!

Post by “Don” of September 7, 2021 at 9:05 AM

[Quote from Cassius](#)

[Don](#) I am thinking that you have not read this one yet? I think [Godfrey](#) has and I am not sure about [Joshua](#) and [Martin](#) and others. This would be a good thread in which we can update our comments on Wright, and we can move it to the Wright section as well.

You're correct. I haven't read this yet, but now I'm more curious.
