

You Can't Always Want What You Like (podcast episode)

Post by “Don” of September 13, 2021 at 8:16 AM

Another reason, I realize, is to share what appears to me to be the widespread presence of Epicurean principles and practices in positive psychology and neurobiology research. They're not identified as such, but I continue to see parallels, echoes, and reflections of those ancient philosophical teachings throughout these podcasts, articles, and papers.
