

An Anti-Stoic Analysis Of Free Will That May (Or May Not) Be Helpful To Us

Post by “Don” of September 16, 2021 at 10:28 AM

[Synopsis of Epicurus' "On Nature", Book 25: On Moral Development | Society of Friends of Epicurus](#)

I haven't had a chance to read this all from Hiram, but it gives a summary of Epicurus's On Nature XXV that directly relates to this topic.
