

Episode Ninety - Recap Of Atomism In Preparation for Details of Magnetism

Post by “Godfrey” of September 28, 2021 at 1:17 AM

Quote from Cassius

As I have said before I really like Rolfe Humphries' version.

[Cassius](#) I finally got a copy of this version due to your repeated praises (and also Joshua's if I'm not mistaken). I've just begun reading it, starting with Book 6 (to stay close to the podcast) and so far it really does make for good reading, flowing noticeably better than other versions. Thanks for the recommendation!
