

Torquatus' Statement of the Epicurean View Of The Ultimate Good In "On Ends"

Post by "Cassius" of September 28, 2021 at 7:08 AM

But it looks like Parker is not including the parenthetical "which the Greeks call the telos" so likely he's not being strictly literal either.

At least as of this morning I am only finding three translations: Rackham, Yonge, Parker. But at least that's two more than I had before.
