

# Contemplative Isolation and Constructive Sociability in the Epicurean Tradition

Post by “Don” of October 12, 2021 at 5:14 AM

"In Epicurus' own words, "the same conviction that inspires confidence that no evil is eternal or even enduring, also makes us aware that in our limited conditions of life friendship affords us the most perfect security".<sup>24</sup>"

Tutrone's translation of [PD28](#)
