

Modern Books on "Practical Advice" On Applying Epicurean Philosophy

Post by "Don" of October 18, 2021 at 2:07 PM

[Quote from Godfrey](#)

The link to Hadot appears to be to a book of the same title but by different authors. I've never heard of the linked book or it's authors. Is anybody familiar with it/them as being useful?

I changed the link to the correct book on AbeBooks. Thanks!
