

Modern Books on "Practical Advice" On Applying Epicurean Philosophy

Post by "Don" of October 18, 2021 at 2:12 PM

[Quote from JJElbert](#)

I haven't read any of these yet...

I've read Wilson's and the relevant passages in Hadot. Haven't read Crespo or Dimitriadis in full.

Frankly, I wanted to read the ancient texts first, get some opinion of my own from them, then read modern commentators. I haven't always stuck to that but that was my strategy.
