

Differences between Epicureanism and Cyrenaicism

Post by “Cassius” of November 4, 2021 at 9:59 PM

[Quote from Don](#)

In my study, I'm coming to the conclusion that katastematic pleasure refers to deriving pleasure from a stable (albeit temporary) state or condition while kinetic pleasure has to do with deriving pleasure from an action.

it will be beneficial as we go along in the future to to post sources so we can see what exactly exists in the Epicurean texts to support the respective reconstructions.
