

Episode Ninety-Four: Torquatus Explains Pleasure As the Goal of Life

Post by “Cassius” of November 5, 2021 at 4:21 PM

Around probably the fifteen minute mark of today's podcast we look for but never find a word for the Christian church father practice of "innoculating" the flesh against sin. Upon editing the podcast I think I remember now that the word I was looking for was "mortifying" the flesh - or mortification. Joshua or Don can correct me if there's a better word for what we were discussing.
