

Episode Ninety-Six - The Proof That Pleasure (And Not Virtue) Is the Supreme Good

Post by “Kalosyni” of November 16, 2021 at 12:22 PM

I listened to entire Episode 96. I found it enjoyable and intellectually stimulating. You are all contributing such interesting points. Was the "proof" adequately established? Not sure if I missed something. It seems proof is taken on the premise of a materialist framing of the world, and those who come from a supernatural or platonic absolute won't be convinced.
